

Hello!

*The Math End of Module 1 Assessment will be on Tuesday, Oct. 16.

-I know the math homework has been challenging for some students. Solving multi-step problems is a very difficult standard that is required of 4th graders. We will continue to work on this skill all year.

*Conferences this year will be on Oct. 25, Oct. 30, and Nov. 8. Conferences will be held in the gym so you can meet with both teachers.

Oct. 25 - Mr. Kalb's Class

Students with last names A - J (4:00 - 5:40)

Students with last names K - Z (6:25 - 8:00)

Oct. 30 - Mrs. Sepelak's Class

Students with last name A - O (4:00 - 5:40)

Students with last name P - Z (6:25 - 8:00)

Nov. 8 - Any parent that can't make their previous night.

*Thank you for all of the families that donated snack items to Project Hope!

*Remember to check Infinite Campus for your child's grades.

<https://lqca.infinitecampus.org/campus/portal/riverside.jsp>

*Remember to check out the Riverside Local Schools website to learn about different events and activities going on in our district!!

<http://www.riversidelocalschools.com/Default.aspx>

*All 4th graders (and their families) get free access to hundreds of parks, lands, and waters for an entire year. Click for more information- <https://www.everykidinapark.gov/>
