

Hello!

\*The students learned to convert grams to kilograms, milliliters to liters, and modeling (tape diagrams), to solve addition and subtraction problems and word problems, to relate metric units to place value units, and to use addition and subtraction to solve multi-step word problems involving length, mass, and capacity. We will review all of Module 2 on Monday. The students will take the End of Module 2 Assessment on Tuesday. It will cover converting kilometers to meters, meters to centimeters, kilograms to grams, liters to milliliters, adding and subtracting mixed units, and comparing units, relating metric units to place value, and solving multi-step word problems involving length, mass, and capacity. We will also start Module 3 (multiplication and division) next week.

\*We are almost finished with the class read aloud The Tiger Rising. We have been working on characters with this book. Students have gotten really good at character traits and comparing characters to other things or people they have seen. There are still some students that are not completing the grammar packets in several cases that caused some people to drop a letter grade on the report card.

\*This week in Science we finished Agent Ice Erosion Wrap Up. The students read about Earth's slow-changing processes and answered questions. We will learn about fast changes to Earth's surface next week.

\*In Social studies we are wrapping up our discussion on Early Americans. The project information will be coming home soon.

\*Report cards were posted yesterday on Infinite Campus.

\*Halloween parties start at 2:30 and the parade will be around 3:10 on Wednesday, October 31.

\*It was nice to see many of you last night for conferences. Hopefully, we will see the rest over the next 2 weeks. The remaining conferences will be on Oct. 30 and Nov. 8.

Oct. 30 - Mrs. Sepelak's Class

Students with last name A - O (4:00 - 5:40)

Students with last name P - Z (6:25 - 8:00)

Nov. 8 - Any parent that can't make their previous night.

Upcoming events-

Oct. 28 - Riverside Rocks 5K 8:30am

Oct. 31 - Halloween party 2:30pm & parade 3:10pm

Oct. 30 - Conferences 4-8pm

Nov. 1 - Blaze Pizza Fundraiser

Next week-

Monday- Day 4

Tuesday- Day 5

Wednesday- Day 6

Thursday- Day 1

Friday- Day 2

Please contact us with any questions or concerns.

Have a great weekend.

Adam Kalb & Stacy Sepelak
