

Hello!

*Next week in Math we will solve multi-step word problems using addition, subtraction, and multiplication and review for the Mid-Module quiz. We will have our Mid-Module Assessment on Friday. (For the mid-module quiz the students should know area, perimeter, multiplication comparison word problems involving area and perimeter, multi-step word problems involving area and perimeter, multiplying by X10, X100, X1,000, multiply multiples of 10, 100, 1,000 by single digits, multiply 2-digit multiples of 10 X 2-digit multiples of 10 with an area model, using place value disks to represent 2-digit, 3-digit, and 4-digit by 1-digit multiplication, multiply 3-digit and 4-digit numbers by 1-digit using the standard algorithm, partial products, and area model, solve 2-step word problems and solve multi-step word problems using addition, subtraction, and multiplication and tape diagrams).

-Students should complete at least 2 days of xtramath this week.

*Just a reminder that Early American Home projects are due on Tuesday the 27th. I made a mistake in the letter and said Tuesday the 28th. The 28th is a Wednesday, I am sticking with the due day of Tuesday. So, projects are due TUESDAY NOVEMBER 27.

*As part of our giving back to the community, Madison Avenue is collecting NEW ADULT SOCKS for Sub Zero Mission for the rest of November. There are collection boxes in front of the office. For more information go to www.subzeromission.org. Thank you to the families that have already donated.

*Some children need pencils, pens, dry-erase markers, scissors, etc. Please ask your child if they need any new school supplies.
