Weekly Information

What a great week we had in second grade! The COSI on Wheels program was excellent with giant thanks to the volunteers including Mrs. Bishop and Mrs. K (Madison's grandmother). Of course the biggest thanks go out to Buckeye's P.T.A. who brought this fun and educational program to our school!

Our field trip to see *Annie* at Willoughby Fine Arts was also wonderful. What a fantastic job local performers do to put on these shows! Thanks go out to Mrs. Kirk and Mrs. Short for their help on this trip!

We will be MAP testing next week, I believe we will test Monday afternoon and Tuesday morning but don't know for sure!

Tis the Season!

You are such a thoughtful group and I love working with your children, that being said... Mr. King and I have downsized and our needs are few. Rather than a gift for me just enjoy a day with your child, make a contribution to a charity of your choice or, if you're really ambitious, clean out a closet. The Hope Chest in Painesville works on a strictly volunteer basis and allows families in need to 'shop' for clothing and small household items and they are in need this year. For all you do to send your child to school healthy and happy each day, thank you!
