Weekly Information

Next week I am hoping to begin IE time with the children. This will be a time when some of the children are working at their own pace at reading and math activities, some will be completing activities relating to our phonics/spelling work, math practice, and some will be working with me.

I am still trying to get all of the children benchmarked for their reading levels. Mrs. Alfaro, our Title teacher, has been a great help with that! Once I've finished with that, I'll have your child's reading/writing partner decided as well as the level he/she needs to be working within.
