

Hello!

*This week in Math the students continued measuring angles with a protractor. They also learned how to construct angles, recognize an angle measure as an additive, and reviewed lines of symmetry. Next week the students will learn specific characteristics of two-dimensional and review three-dimensional figures.

*Reminder- all quizzes should be signed by a parent, corrected by the student, and returned to school.

*We had a very good week. The ELA tests on Tuesday and Wednesday seemed to go well. The students worked very hard, you should be proud. We are moving to historical fiction starting next week. The students do not seem too excited about it but, it will be fun, and they will end up enjoying it.

-Next week there is no school on Friday. Reading logs are due on Thursday. These need to be turned in for the Captains Reading Program. If they are not turned in on Thursday they will miss that base. They still need to read 5 days to reach the next base.

*This week in Science the students classified common objects using binary classification. The students also completed a lesson about dinosaur names. They learned some of the Greek and Latin root words for some dinosaur names. Then the students were able to create their own dinosaur using the root words. The students will share their imaginary dinosaurs next week and classify dinosaurs using binary classification.

*In Social Studies we are moving to Ohio Inventors. It is always fun for the kids to see how many Ohioans have had an impact on our lives through inventions.

*Please make sure your child has a pair of working headphones at school every day.

*Community Easter Egg Hunt- Tomorrow

<http://www.riversidelocalschools.com/protected/ArticleView.aspx?iid=6GP3UIY&dasi=3U30>

*Madison Avenue Spring Concert is Tuesday, April 16. All students will be going to RHS from 9:15am - 11:45am Tuesday to practice for the concert.

*BOGO Book Fair is next week. Mr. Kalb's class will shop on Tuesday, Apr. 16 and Mrs. Sepelak's class will shop on Wednesday, Apr. 17.

*The Math AIR Test will be April 30 and May 1.

*Please remember to check Infinite Campus for your child's grades.
