

# LATCHKEY CHILD RELEASE POLICY

## “Because We Care”

**“The Board of Education of the Riverside Local School District maintains the highest standard of care for the supervision, control, and protection of its students. The Board’s commitment includes not only maintaining a secure environment during the school day but also releasing the students at the end of the day in a safe, protected manner. As a part of this commitment, District representatives, including the Latchkey officials, will not release any student to a parent or guardian who is or appears to be under the influence of alcohol or controlled substances of any kind. In such a circumstance, District representatives will contact another family member or guardian to arrange for alternative transportation for the student and may contact the Sheriff’s Office if the circumstances warrant it. Please join with us in maintaining the highest standard of care for our students.”**
