Ancient Greece Module A:

Student Learning Plan for _____ **Period__**

Today's Date: _____ Goal Completion Date: _____

Module A Greece I Can Statements to be Mastered:

1. I can locate and label Greece on a map.
2. I can label the important Greek cities and land features on a map.
3. I can describe the geographic features of Greece.
4. I can explain how Greece's geography has affected the way that people in Ancient Greece lived.

How will I work towards Mastering the I can statements?

Pick 1 Choice from the list below:
A. I will listen to Level A online notes and complete the note packet page 2.

B. I will read the Ancient World textbook pages 152-154 and fill in my note
             packet page 2.

Pick 2 Choices from the list below:
C. I will play the online Greece Map label quiz game until I can get 100% on the
first time through.

D. I will complete a Greece Map label activity.

E. I will answer the geography questions on the back of the Greece Map label
activity.

F. I will watch the Greece geography Video 1 and Video 2 clips and record 5 facts
from each video.

How will I show that I have Mastered the I Can Statement?
Pick 1 Choice:

1. I will turn in my Greece Map activity and geography questions.

2. I will complete the online Greece Level A Quiz with a score higher than 90% on the first attempt.

3. I will complete a Venn Diagram comparing the geography of Greece to the Geography of the United States. (Give 5 similarities and 5 differences).

4. I will write a paragraph and draw a picture explaining how the geography of Greece affected the way that the Ancient Greeks lived.

Mastery is Achieved at 90% or higher!

Score: _____/100%

Mastery Achieved? Yes _____ No_____

If Yes, Congrats! You are ready to move on to Module B
If No, please complete relearning plan below:
