Open House Grades K-3	Open House Grades 4 & 5						

- If you plan to drive your child to school on the first day, we will have a quick, celebratory clap-in. Parking is tricky, so we will be outside to help you find a spot. Please line the sidewalks and clap for our students as they enter the school for the final first day at Madison Avenue.
- Arrival and Dismissal Procedures
- School Fees and Lunches can now be paid <u>online</u>.
- Thank you for your patience as we build our beautiful, new school in the backyard of our beloved, current school. Please know that we are taking good care of your children as we share this awesome experience with them. If you ever have any worries or questions, please call me so I can help.
- We have some changes in staffing at Madison Avenue this year:
 - Mrs. Wittie is our new Kitchen Manager.
 - Mrs. Farrar is now teaching First Grade.
 - Mrs. David is our new Kindergarten Teacher.
 - Miss Miracle is our new Intervention Specialist.

Our staff is looking forward to another great year with you and your children!
