

New Lunch Procedures for RHS and JRW Pre-Order Instructions For Lunch

Download the app for nutrislice from google play or the apple store.

This is what it looks like:

You will need to create an account and choose your district. We are listed as Riverside Local.

To place your order:

- You need to place all orders before 8:00 a.m. and you may order ahead up to 2 weeks.
- Click on Riverside High School or John R. Williams Jr. High
- Choose Lunch In-Person.
- There will be plus signs on the items you can order.
- You choose your entree for the day (it comes with pre-selected fruit and veggie of the day which are listed on the menu).
- You have the option of adding a la carte items such as beverages or chips for an additional cost. Please do not add these items if you do not have funds to pay for them. We will remove them from your order.
- Add to cart and choose the option to pay at pick-up.
- Make sure to specify which lunch (A,B,C,D) you eat so that your meal will be ready at the appropriate time.
- Submit your order.
- Your order then goes into the order queue for whichever cafeteria you selected. The kitchen staff will print out the orders and have them boxed up for you when you come through the line.
- When you go through the line you will tell the server your name and she will hand you your box.
- There will be no pin pads this year. You will have your unique student bar code uploaded to your google drive and you will scan it at the register with your phone.
