3 Ways to Pay for Meals!

- PRE-PAYMENTS ONLINE** ... To pay online with a credit card, log into the Parent Portal in Infinite Campus. Allow 24 hours for credit card payments to be received and applied to your account. You may also view your student's transactions and set up low-balance notifications through this same page.
 - CHECK** ... Please make checks payable to your school cafeteria and include the student's name(s) and ID number(s) on the check. If splitting between multiple students at the same building, please indicate the amount to be applied to each account. If you wish to put money on student accounts in different buildings, you will need to send in two separate checks made out to the specific cafeteria.
 - CASH** ... Cash is accepted, but sending cash in with elementary-age students is not encouraged. We are not responsible for lost or stolen cash. Please note that elementary cashiers cannot give change on the serving line. If your child pays with cash, any money over the amount of their purchases will be applied to their lunch account.
