

Riverside Local Wrestling club

About US:

The Riverside Local Wrestling club is a non-profit organization that is dedicated to helping athletes of the Riverside School District and the local Lake County area succeed in the sport of wrestling. The organization supports wrestlers from the youth level, grades Kindergarten – 6th grade, through high school. The wrestling club is comprised of coaches and parents who volunteer their time and efforts to make the wrestling season challenging and enjoyable to all athletes. Additionally, these individuals work with local community businesses to raise funds to help support the athletes and for the sustainability of wrestling within the Riverside School District. Funds raised by the club are used to purchase uniforms, supplies, food and room and board various wrestling tournaments.

Be part of a long standing tradition and thank you for your support.
