

**Buckeye
Elementary**
Week of 9/28/15
Volume 1, Issue 1

Mrs Braunlich's Classroom News

Classroom News:

Dear Parents:

We will continue to work on many new ideas. We have been working on Solids, Liquids, and Gasses. We have completed an art project and have pictures on pointillism hanging in our hallway. On October 5th, students will have the option of walking to school. Parents may drop their children off at the Crime Lab at the end of Buckeye Rd. at 8:15 and we will walk as a group to Buckeye Elem. I am looking forward to this! We will be starting Unit 3 in Foundations this week, a letter explaining the unit will be going home today.

Reading

We will be reading "The Sun is Always Shining Somewhere." This is one of our non-fiction stories that gives information about the sun. It fits right into our weather unit! Ask your child to retell you the story !

Foundations:

Unit 3 - We will start our Unit 3 in Foundations. This unit talks about closed syllable exceptions which we will be practicing marking. Papers will be going home that we have practiced in class.

Math:

We have started Module 2 which deals with addition and subtraction in measurement. We will be taking our end of the unit test.

This Week's Assignments

Reading 15 minutes each night (your child reading aloud to you.)

Math - Please practice math facts for 15 minutes each night.

Weekly homework packet will be sent out on Tuesdays and will be due the following Tuesday.

Upcoming Events

Oct. 5th - National Walk to School Day

Oct. 9th - No School (teacher in-service)

Oct. 16th - NEOEA Day (NO SCHOOL) Fall Break.

Reminders to Students

☐ Even though students are able to get as many drinks as they like during the day, in this hot weather it is nice for them to have a water bottle to keep at their desks.

Formatted: Bullets and Numbering
