Website Redesign Underway

Online Survey Available To Share Your Viewpoint On Future Website

The Riverside Local School District is working on one of the District's Strategic Plan Goals — *to improve District communication efforts with the design of a new more user-friendly website.*

After careful evaluation and research, the District selected a new web vendor and is seeking input from various stakeholders

as there are many options to consider in designing and developing the new site. The District is committed to incorporating stakeholder viewpoints in the development of the new site.

To have your thoughts included and to help us gather input and understand different stakeholder priorities related to

the design and rollout of the new version of www.riversidelocalschools.com, we invite you to complete a brief, five-question online survey. An opportunity to provide additional comments about the website is also available at the end of the survey.

The survey may be accessed by going to: <http://goo.gl/forms/Ow6yIErO4q>
