

Vocabulary Independent Study

#2 – Entire packet due Friday, November 8

Overview: This week, you will be selecting your own vocabulary words to study. You will need to choose **seven** words that we have not done already in class. These words must come from your *Read-to-Self* book and be school appropriate **and on your level** (not too easy...). Below, you will find the assignments for the words you have chosen.

Assignment A: Write each word you have chosen on the line below. Then, copy the sentence directly from your book, underlining your vocabulary word.

****Include quotation marks AND the page number!**

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

Assignment B: For each word, use the **context** from the sentences you wrote in Assignment A, and **infer** (guess or predict) the definition of the word. Then, using a dictionary, write the **actual definition** that applies to the way the word is used in your book.

1. _____ **MY INFERENCE:**
